

ADHD ONLINE RESOURCE GUIDE

www.addwarehouse.com

"The Leading Resource for the Understanding and Treatment of All Developmental Disorders, Including ADHD and Related Problems".

Free articles on facts about Attention Deficit Disorder, suggestions for parents and teachers to help children with homework, guidelines for successfully parenting ADD, ADHD children, and more.

www.aacap.org

The American Child and Adolescent Psychiatry website provides concise, up-to-date information on issues that affect children, teens and their families in English and Spanish. Includes ADHD Facts for Families.

www.chadd.org

Children and Adults with Attention-Deficit/Hyperactivity Disorder has over 20,000 members and is the nation's leading non-profit organization serving individuals with ADHD. CHADD provides science-based, evidence-based information about ADHD to parents, educators and the general public.

The website contains phone numbers of local CHADD chapters, a professional directory, support groups, research and an extensive Frequently Asked Questions (with answers) on ADHD.

www.ldonline.org

Learning Disabilities Online website contains information for parents, teachers, first person essays, a newsletter and more. There is a PDF version of "The Key Components of a Comprehensive Assessment of Attention-Deficit/Hyperactivity Disorder", an excellent article from the CHADD Information and Resource Guide to AD/HD.

www.mentalhelp.net

A website designed and maintained by Clinical Psychologists dedicated to educating the public about mental health, wellness and family issues. It provides scientifically accurate and up-to-date coverage of news, articles, book reviews and more. Under SEARCH, type in ADHD and click on GO! to get to information on ADHD.
